NOMINATION NOTICE - Elections

The annual Elections of Officers for Local 37 will be held on Saturday, March 4, 2006, at the Union hall (5112 - 3 Street SE) starting at 9:00 am sharp.

Nomination forms will be available at the CUPE Local 37 Union office, during regular office hours, from January 10, 2006, until and including election day.

At the February 14, 2006, regular meeting, eligible members will be allowed to put forward their names for office. This will take place under the Nominations and Elections portion of the agenda. Members are required to fill out a nomination form that has been signed by two members and submitted prior to or at this meeting. To be eligible you must have attended 6 regular union meetings between February 2005 and January 2006 (inclusive). Members have the right to be nominated for more than one position. Only those members nominated at the February meeting will be eligible to have their names placed on the pre-election ballot. Nominations will still be accepted at the Election meeting, but, obviously, those members won't receive any of the advance votes and the nomination form must still be submitted.

A ballot will be created for each vacant position, and all those nominated will be listed in alphabetical order on their appropriate ballot. There will be one ballot box for each position, and members wishing to cast an advance ballot will be able to do so at the pre-election vote starting 8:00 am until 8:00 pm, Friday, March 3, 2006. The ballot boxes will be secured that night and held for the election meeting on March 4, 2006, at 9:00 am sharp.

We will go through the normal election procedures on Saturday and after each ballot is cast, the corresponding pre-election ballot box will be opened and counted along with the regular ballots. All other regular provisions for elections continue to apply.

The positions open in March will be:

PRESIDENT (2 year term)

TREASURER (2 year term)

SERGEANT-AT-ARMS (2 year term)

3 EXECUTIVE-AT-LARGE (2 year term)

1 TRUSTEE (3 year term)

Election eligibility list will be available after January 13, 2006
