 - For the purposes of the Program, continuous service will be calculated from the last date of hire recognized with the Employee's current Employer.

Severance Approval

6. (a) The Employer shall have the right to accept or reject any application for severance based on operational requirements. Subject to operational requirements, if there are more Employees wishing to take severance than there are positions to be eliminated, severance shall be granted in order of seniority.
- (b) Severance will not be approved if termination of the Employee does not directly result in the permanent elimination of the regular Employee's full-time equivalency, or a comparable full-time equivalency.
- (c) Program transfers affecting other bargaining units may be taken into account when assessing comparable full-time equivalencies.
- (d) The Employer reserves the right to determine the date of termination and, once approved, the decision to take severance and terminate employment is irrevocable.

Operation of the Program

7. An Employer will only consider a severance application from an Employee on sick leave, WCB, or LTD where the Employee has provided medical evidence to the Employer that they are fit to return to work.
8. Regular Employees whose applications for the program are approved will terminate their employment and have no right to recall under Article 10: Layoff/Recall.
- (a) Employees whose application for severance are approved will not be eligible for rehire by the Employer, for the period of the severance.

- (b) The Employee may be considered for rehire by the Employer provided they repay the severance that was received, or, the difference, if any, between the time they were unemployed and the length of time for which the severance was paid.

This Letter of Understanding shall expire at the end of the term of the Collective Agreement or upon the date of ratification of the next Collective Agreement, whichever is later.
